Well, we all need someone we can lean on \ And if you want it, well, you can lean on me
Yeah, we all need someone we can lean on \ And if you want it, well, you can lean on me

[VRS]She said, "My breasts, they will always be open \ Baby, you can rest your weary head right on me
And there will always be a space in my parking lot \ When you need a little coke and sympathy"

Yeah, we all need someone we can dream on \ And if you want it, baby, well you can dream on me
Yeah, we all need someone we can cream on \ And if you want to, well you can cream on me

[VRS]I was dreaming of a steel guitar engagement \ When you drunk my health in scented jasmine tea
But you knifed me in my dirty filthy basement \ With that jaded, faded, junky nurse
Oh what pleasant company \ Come on

We all need someone we can feed on \ And if you want it, well you can feed on me

Take my arm, take my leg, oh baby don't you take my head

Yeah, we all need someone we can bleed on \ Yeah, and if you want it, baby, well you can bleed on me
Yeah, we all need someone we can bleed on \ Yeah, yeah, and if you want it, baby, why don't you bleed on m

All over

Come on, babe

Ah, bleed it alright, bleed it alright, bleed it alright \ You can bleed all over me
Bleed it alright, bleed it alright, you can be my rider \ You can cum all over me

Bleed it alright, baby, bleed it alright, bleed it alright \ You can cum all over me

Bleed it alright, baby, bleed it alright, bleed it alright \ You can cum all over me

Bleed it alright, baby cum all over me \ Bleed it alright

Bleed it alright
